

Sound *RIDER!* presents our

# HOLIDAY GIFT GUIDE 2012

= recommended stocking stuffers

## TV 25 84° RIGHT ANGLE VALVE STEM

Replace your current tubeless tire valve stems with these right angle stems that are as much art as they are function. Available in anodized Black, Silver, Blue, Gold and Red.

**\$18 per pair**

Also available: Heavy duty stainless straight stems

## TECHNICHE EVAPORATIVE COOLING VESTS

When the outside temps reach triple digits, savvy riders reach for their cooling vest. Simply soak in water for 5 minutes and feel the relief.

**Starting at \$39.50**

Also available: Head and neck coolers

## 12 VOLT SAE TO USB ADAPTER

Now you can charge you cell phone, intercom, Kindle, iPad or any other electronic device that utilizes a standard USB connector while you ride!

**\$19 single output, \$29 dual output**

Also available: 12 cigarette lighter USB adapters

## EXPED SLEEPING MATS & PILLOWS

Sleeping on the ground comfortably is essential to enjoying the next day's ride. That's why we don't mess around with inferior mats and pillows that fail, are bulky and weigh you down.

**Pillows starting at \$31.50, Mats starting at \$62.10**

Also available: Sierra Designs sleeping bags

## POWERTYE CARGO NETS w/QUIK-CONNECT HOOKS

There's no question that Powertye makes the best cargo nets. But we make them better by throwing in a set of 6 of our own ultra strong yet sleek Quik-Connect hooks.

**\$14.95 for Net/Hooks setup**

Also available: Get the hooks solo, just \$5 for 6

## TOASTY WICKING BASE LAYERS

Cotton is just not part of the plan. We use wicking base layers and socks exclusively on any ride and you can too. Experience the comfort and wicking properties of these fantastic fabrics.

**Base layers and socks starting at \$19.50**

Also available: Hydration bottles and systems

## TIRE REPAIR KITS, PUMPS & GAUGES

Tire maintenance and repair is not something to go cheap on. We carry only the best tire pumps, gauges and repair kit on the market today.

**Repair kit \$35, EZ Air Gauge \$25, Cycle Pump \$100**

## SEA TO SUMMIT WATERPROOF CASES

Atlases, electronics, maps and paperwork all deserves to be kept dry on any ride. Sea to Summit makes the most durable waterproof cases for any application.

**Starting at \$15**

Also available: Outdoor Research Dry Sacks

## SR! NW RIDE GUIDES

We know our way around the Northwest. The roads, the eateries, the motels and the see and dos. Coming to Oregon or Washington soon? Learn your way around like a local.

**\$24.95 each**

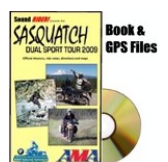

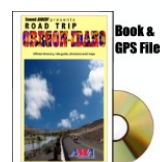

5 guides covering Washington & Oregon

## SR! SELF GUIDED TOUR BOOKS

Each year Sound *RIDER!* produces both a road tour and a dualsport tour. For those who want to ride their own ride, we make each tour available in a self guided book/GPS file format for you to enjoy anytime the time is right.

**Starting at \$50 per tour**
